

# CLEVELAND HAPPENINGS

Built-into our Convention schedule are two periods of late afternoon/evening “free times” on Tuesday, April 14<sup>th</sup> and Wednesday, April 15<sup>th</sup>. This will allow everyone the opportunity to pursue their own interests, explore or relax, and also try some of our fantastic local dining establishments.

Below are listed some events and attractions whose availability coincide with these dates. Those within walking distance or easily reachable via public transportation are noted.

## **“TARTUFFE”**

**April 15<sup>th</sup>, Wednesday, 7:30PM**

**Outcalt Theatre at the Cleveland Playhouse.**

*Préparez-vous*, you, for one hilarious night of theatre. The man of the house has lost his marbles! He’s been blinded by the counterfeit zeal of a sanctimonious scoundrel who fully intends to make off with his livelihood and probably his wife. Tartuffe is on the loose, making for one of classical theatre’s most celebrated roles. Our production of the funniest French play ever conceived promises to be as relatable today as when it premiered in 1664, as biting incisive, and equally entertaining. ***Walking Distance.***

## **LAKE COUNTY CAPTAINS vs THE FORT WAYNE TINCAPS**

**April 14<sup>th</sup>, Tuesday; April 15<sup>th</sup>, Wednesday, 6:35PM both days.**

**Classic Auto Group Park, 35300 Vine Street, Eastlake, Ohio 44095**

Come and experience our National Pastime in its more pure, simple, and enjoyable format. Classic Auto Group Park, located 15 minutes from downtown Cleveland, is the home of the Lake County Captains, the High A affiliate of the Cleveland Guardians. Winners of the 2024 Midwest League Championship, the Captains are always competitive and the entire ballpark experience is most entertaining.

## **“MANET & MORISOT”**

**April 15<sup>th</sup>, Wednesday, Open until 9PM**

**Cleveland Museum of Art, 11150 East Boulevard, Cleveland, OH 44106**

World renown for its impressive collections, including the captivating Medieval Court, our Convention happens to also coincide with this first of its kind exhibit. *Manet & Morisot* is the first ever major exhibition dedicated to the artistic exchange between Édouard Manet, often referred to as the father of modern painting, and Berthe Morisot, the only woman among the founding members of the Impressionist movement. Through comparisons of related works made between the late 1860s and the late 1880s, this exhibition traces the evolution of a singular friendship between two groundbreaking artists. ***Regional Transit Authority public bus.***

## **ZACH MAMA**

**April 15<sup>th</sup>, Wednesday, 7:30PM**

**Frolic Cabaret - Hilarities 4th Street Theatre At Pickwick & Frolic, Cleve.**

Blending sharp stand-up with rhythmic precision, French-American comedian and jazz drummer Zach Mama is building an international presence. Known for his fearless mix of cultural commentary, musical timing and raw honesty, he performs in clubs, theaters, and festivals across the U.S. and Europe. ***Walking Distance.***

Whether it's stopping by the **West Side Market** for fresh and prepared foods, visiting the original house from the movie "**A Christmas Story**", setting sail toward the **USS Cod** World War II Submarine Memorial, checking-out the **Rock and Roll Hall of Fame**, trying your luck at the **Jack Casino**, walking to and through the **Old Arcade** – the nations first indoor shopping area, getting your picture at one of the "**script**" **Cleveland signs**, or trying-out our **wonderful restaurants** (be sure to do some research beforehand...you'll be glad you did!)  
**CLEVELAND HAS SOMETHING FOR EVERYONE.**
