We are pleased to have secured as our convention venue the Crowne Plaza Hotel Cleveland at Playhouse Square located in the heart of Cleveland's thriving theatre district. Having recently undergone a multi-million dollar renovation, it is well-suited to meet the needs of our PAPA guests.

Our Convention room rate is \$119.00 per night. The hotel will also guarantee this rate when you register for up to two days before and/or after our formal convention dates should you wish to come a little early or stay in town a little later.

The hotel features a 24 hour fitness center as well as a swimming pool, whirlpool, and sauna (6AM-11PM). The *Ghost Light Restaurant and Lounge* is located off of the main lobby and, in addition to its regular hours, serves-up its "5 Olive Happy Hour Award" winning service Mon. – Fri. from 4:30PM – 7PM.

Please note that the hotel offers a complimentary shuttle service within a five mile radius. Required reservations are first-come, first-serve so do plan accordingly should you wish to use it, especially for any free-time excursions.

Also good-to-note is each room comes furnished with *Englander Ventura* comfort bedding and pillows along with *Blue Harmony* toiletries. This is in addition to all of the usual amenities you'd expect, such as free wi-fi, cable TV, complimentary bottled water, etc.

Located 12 miles from Cleveland Hopkins International Airport, the hotel is easily accessible by means of the RTA Red Line (\$2.50) to the Tower City Station. From there, either a quick taxi ride or a 14 minute walk puts you at their main entrance. If you're driving, the hotel offers valet service with in/out privileges for \$28 per day. We've included a listing of other available nearby parking options for your perusal and consideration, as well.

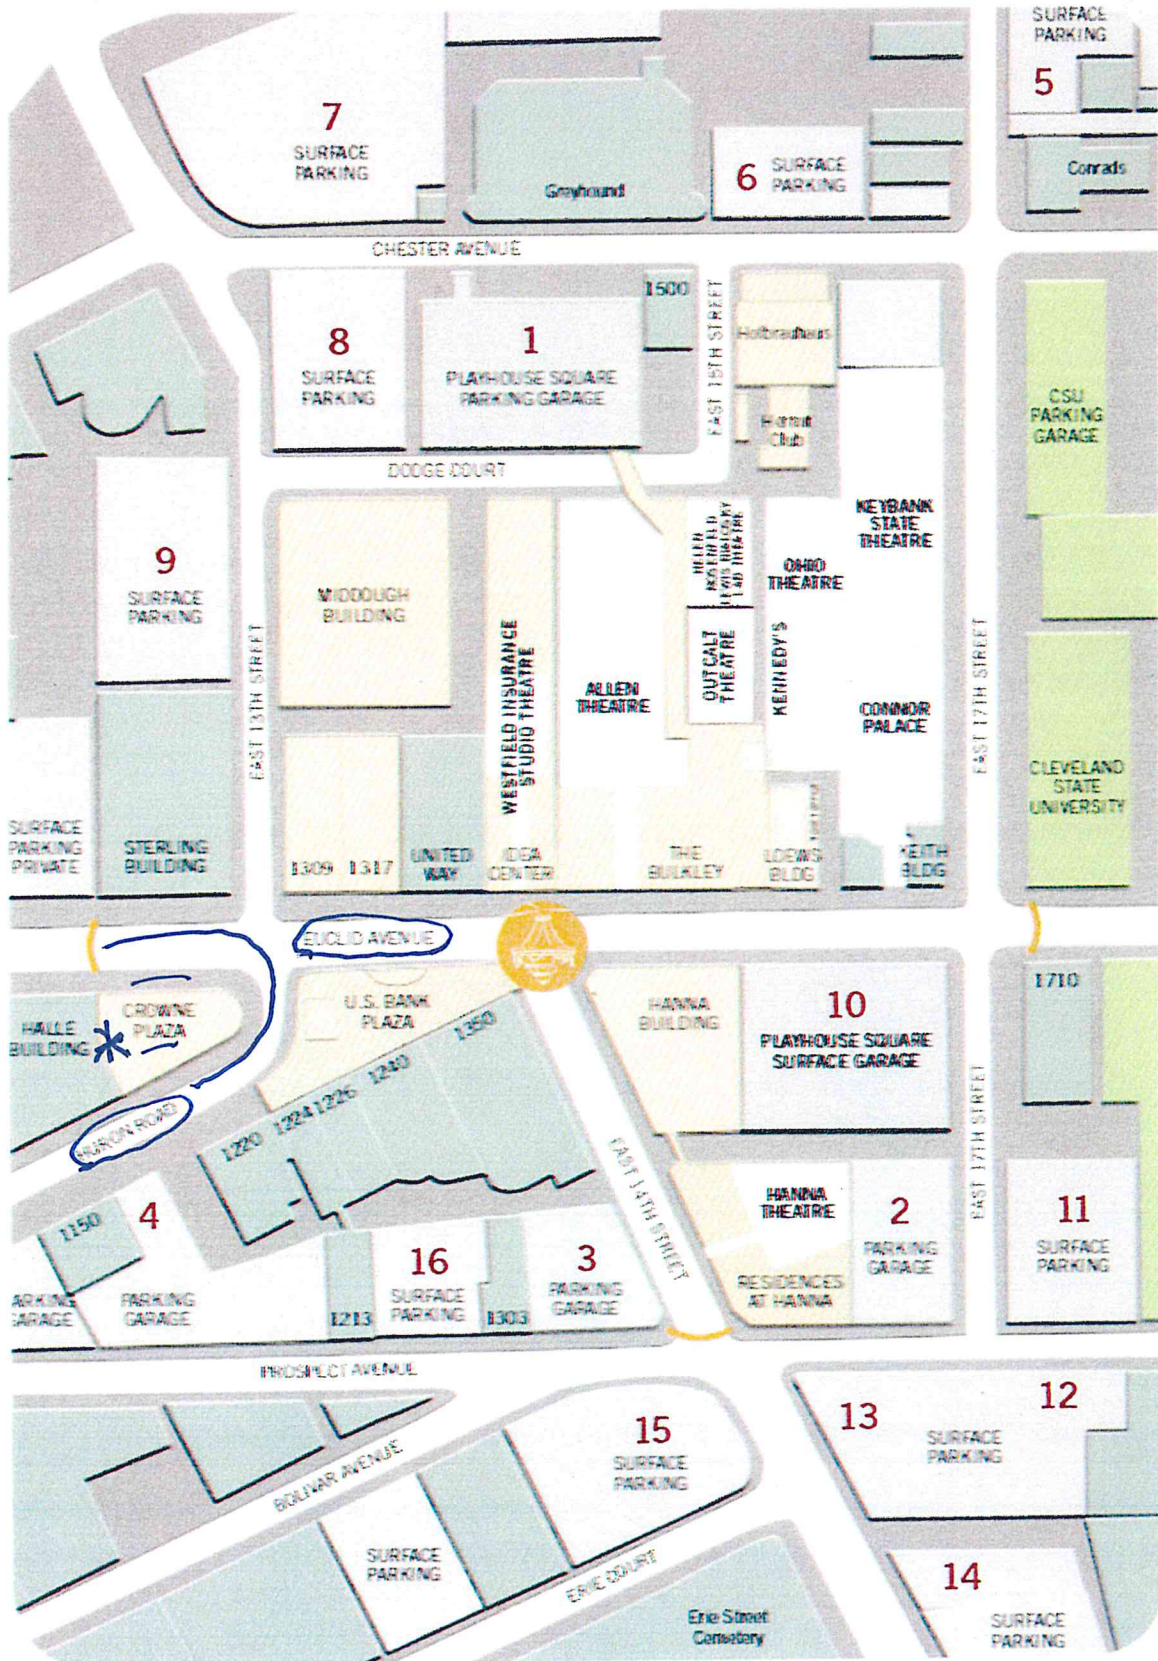

Please note that the hotel has set as a deadline date for registration MARCH 19, 2018. We encourage everyone to promptly reserve your room directly with the hotel by following the instructions provided. While exceptions can be made, we don't want to have to push things that are ultimately beyond our control...

Also, as many of us may choose to pay for the convention/hotel expenses using a continuing education allotment/tax-exempt institutional check or credit card, it is possible to AVOID the usual taxes by following the hotel's policy which may include paying ahead before arrival. *Please inquire when reserving your rooms as to the procedure which must be followed in your particular case so that this savings may be passed along.*
